

The Casa Grande Fire Department in conjunction with the Arizona Center for Fire Service Excellence and the National Fire Academy are pleased to offer:

F0521 Executive Skills Series: Exercising Leadership to Facilitate Adaptive Change

Curriculum: Executive Development

The purpose of this course is to provide skills which individuals in positions of authority can use to exercise leadership when confronted with adaptive challenges. The goal of this course is for the participant to develop an understanding of skills associated with exercising leadership to resolve adaptive problems, those problems where the solution is either unknown or requires significant change, or both.

The primary target audience is fire and emergency service personnel in positions of authority (executive level officers) who have an opportunity to exercise leadership (NOTE: Participants must be minimally assigned to supervisory level position, e.g. company officer).
